Regional and Local Impact (RALI)

Vermont Community Foundation

The Regional and Local Impact (RALI) grant program is an invitation-only place-based grant program. We are looking for ideas that are generated with community engagement that address directly one or more of our four strategic focus areas of the Opportunity Gap frame. Preference will be given to those projects that can show readiness, capacity, collaboration, knowledge of best practices and evaluation necessary for their strategy to be successful.

The Project Idea Form is NOT an application. Your project idea will be evaluated by VCF staff for its alignment with the Opportunity Gap and you will either be invited to apply, or will be given feedback on other grant opportunities for your project or program.

Organization

Organization Name*
Name of Organization
Character Limit: 250

Project Name*
In 50 words, please share your organization's mission and programs.
Character Limit: 100

Organizational Budget*
What is your total operating budget for the current fiscal year?
Character Limit: 15

Contact Person*
To whom should we reach out with any questions or follow up? Please provide name, title, phone, and email.
Character Limit: 150

Project Information

Project Description*
Please describe your project or program. Please give us a sense of workplan, your collaboration and your evaluation.
Character Limit: 1500
Developmental Stage*
What best describes the stage of development of your project or program?

Choices
Brainstorm/Research
Planning/Design
Pilot Implementation
Scaling or Expanding
Replication or Model Development with Network/Peers
