

# Walter Cerf Community Fund (2024)

---

*Vermont Community Foundation*

## ***GUIDELINES***

---

The Walter Cerf Community Fund makes grants to address charitable needs in the state of Vermont. Priority interests are the arts, education, historic preservation, and social services, reflecting the pattern of giving established by Mr. Cerf over many years. Within these issue areas, the fund's advisors have a strong desire to support work that addresses the needs of underserved populations.

The Fund prefers proposals that encourage cooperation, collaboration, and community building. It will rarely fund an entire project, but instead favors projects that have support from a variety of sources. Applicants seeking funding for historic preservation projects are encouraged to consult with the Preservation Trust of Vermont before submitting an application.

### **Geographic criteria:**

The Committee will make grants to organizations that are a) located in and serving the Addison County and Brandon area, or b) serving a statewide constituency and making a unique contribution to Vermont. Approximately 70% of funds available will be awarded to programs and projects in and/or serving the Addison County/Brandon area; the remaining 30% of available funds will support programs and projects serving a statewide constituency.

The Fund will consider both small (\$500-\$5,000) and large (up to \$25,000) grant requests. Organizations applying for a small grant are invited to request program/project support or general operating support. Requests for the large grant must be program/project-specific (large grants will not be awarded to general operating support requests) and must be from organizations serving Addison County or Brandon.

***2024 Deadline: 5:00 p.m. on Tuesday, July 2.***
