

In 1989, voter turnout in Vermont was 51.6%.

30 years later, it has **risen slightly**
to 54.6%.

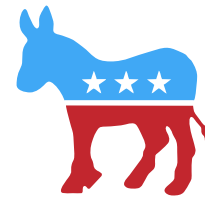

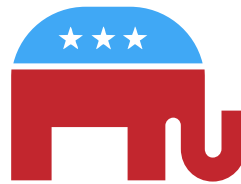

Proportion of Republicans to Democrats at the State House:

In 1989

75:75
(R) (D)

Now

43:95
(R) (D)

Number of women serving in the Vermont State House:

In 1989

Now

How will our elected representatives reflect Vermont's population in 2050?

How will communities interact with their representatives?
